  - At the end of the 2nd Round, the 5 participants with the most total home runs (combined totals from 1st and 2nd rounds) will advance to the Final Round.
- **Final Round:**

  - At the end of the Final Round, the participant with the most total home runs (combined totals from 1st, 2nd, and Final rounds) is the inaugural ESPN LA All-Star Friday Night Legends’ Launch Champion.

**TIE-BREAKERS**

- Should there be a tie between two participants at the end of any round that would determine advancement to the next round or the final champion, the following tie breaking procedure will be used:
  - In the event of a tie at the end of the first, second, or final round, there will be a swing-off between the participants who are tied that will determine which participant advance (after 1<sup>st</sup> or 2<sup>nd</sup> rounds) or wins (after final round). Each participant will receive five (5) additional swings at a time, the contestant with the most home runs after the five (5) additional swings will advance or be crowned the champion. The additional swings will repeat until the tie is broken. Tie-breaking home runs do not count towards total home runs.
