June 2023,

We at 101.7 The Truth are excited to announce the inaugural Truth Family Fest with a back-to-school theme at Riverside University High School on August 12, 2023. Our festival aims to provide resources and entertainment for people of all ages in the city of Milwaukee.

The festival will feature local performers, food vendors, and educational resources for families to enjoy together. We will have booths on-site with supplies for students as they return to school, delicious food from various Wisconsin eateries, entertainment from local artists, and much more.

Your organization's resources and experience would be a valuable addition to our festival, and we believe partnering with you gives us a chance to achieve our goals better. Additionally, involvement in this festival would help increase your visibility and demonstrate your commitment to the community.

We invite you to join us as a sponsor, exhibitor, or vendor in this exciting event. The Truth Family Fest is a unique opportunity to promote your organization, connect with your target audience, and positively impact the community.

Thank you for considering our invitation. We look forward to hearing from you and partnering for this amazing event!

Sincerely,

101.7 The Truth
